

## **Decatur Farmers Market**

Labeling guidelines for the sale of baked and homemade products by *Home-Bases Vendors* (HBV) at Farmers Markets. HBV may sell non-potentially hazardous food products produced in their own homes at Farmers Markets but must include a label with the following information:

### **Labeling Requirements (effective July 1, 2009)**

- Name and address of the producer of the food product
- Common our usual name of the food product
- The ingredients of the product in descending order by weight
- The weight and volume of the food product
- The date on which the product was processed
- The following statement, “This product is home produced and processed and the production area has not been inspected by the state department of health.”

Additional questions should be directed to the Adams County Health Department 724-5326
