The Chamber Member to Member Program

The Chamber 'Member to Member' Program is designed to promote buying between members. It provides another avenue to promote your business, increase foot traffic to your location and give Chamber Members an additional employee benefit to offer for FREE. (Employees are Members too!) By participating in the 'Member to Member' Program, offering a promotion unique to your business to other Decatur Chamber Members, you gain another opportunity to increase your sales!

How to participate in the program:

- You must be a Decatur Chamber member in good standing.
- Offer a promotion unique to your business. The more unique to your product or service...the better.
- You will be permitted to alter your promotion at any time by giving notification of change in writing to the chamber office.
- Complete the enrollment form at the bottom of the page and fax to the Decatur Chamber office at 260-724-3104.
- There is no cost to participate. The program is FREE to Decatur Chamber members.

To redeem promotions at your place of business:

- Each Decatur Chamber member will receive a card identifying them as a **Member to Member** program participant. The member, and ALL of their employees, may use their card to take advantage of promotions offered. It is important to ask to see the card in order to verify eligibility.
